ANNOUNCEMENTS

We're pleased to share that Scott Edson has been appointed our new Assistant Director and Educational Leader. With his wealth of experience and strong dedication to our children and team, we're excited to see what he will bring to our service.

As Assistant Director and Educational Leader, Scott will play a key part in shaping the direction of our service, supporting our educators, and ensuring we continue a high standard of care and education. Please join us in congratulating him as he takes steps into this important role.

In late 2024, we were thrilled to host our annual end-of-year fundraising event at Keithcot Kings OSHC. Each year, our children and families come together to select a charity that holds special meaning to our community, and in 2024, we chose to support Can:Do 4Kids—an organisation close to the hearts of several families within our OSHC.

Can:Do 4Kids has been a leading disability services provider in South Australia for over 150 years. The incredible work they do creates a lasting impact on the lives of so many families, and we are proud to have contributed to such a meaningful cause.

Thanks to the generosity of our amazing families, we were able to raise over \$250 for Can:Do 4Kids. A special thank you to Hazel W, who delivered the funds to Lester Wynne-Jones, the Group Chief Executive Officer of Can:Do 4Kids. We would also like to extend our deepest gratitude to the Williamson family for their unwavering support and dedication to this year's fundraising efforts.

Once again, thank you to everyone who contributed—your kindness and generosity make all the difference!
