## IMPROVEMENTS

Throughout the year, we distributed a couple of surveys to families to gather suggestions for improvement. We appreciate your input and have implemented several changes based on your feedback.

### **Changes that have been implemented include:**

1. **Extended Breakfast:** Breakfast is now available until 8 AM in both BSC and VAC Care. If you and your child arrive after this time and would like breakfast, please speak to our staff, and we will be happy to assist.
2. **Homework Support:** We now offer a quiet, designated space in the OSHC Room from 5-6 PM for children to work on their homework. While we cannot provide one-on-one support, we will do our best to assist your child if Educators are available.
3. **Screen Time:** Movies will be shown from 4-6 PM. During the 3-4 PM period, we will have the Art Room available as a mindfulness space for children to engage in calm, quiet activities.
4. **Extended Snack:** As usual, we provide Afternoon Tea and fruit from 3-4 PM. In response to your feedback, we will now offer additional fruit starting at 5 PM to help satisfy children's hunger before they head home for dinner.

In addition to these improvements we have added a seasonal fruit choice to our Afternoon Tea snack. This is to create variety and give children to opportunity to try something different.
